

from mini-mini to lightweight
trail bike, there's a BRONCCO
for everyone

BRONCCO

5 all-new BRONCCO Mini-Cycles.

Competition, trail or street models. Choice of 4 HP-8.5 HP 4-cycle or 2-cycle engines. Torque converter drive, 4-speed manual, or semi-automatic transmissions. Sleek motocross styling, chromed wire spoke wheels, double loop frames, Ceriani-type front forks, heavy-duty swing

arm/shock absorber rear suspensions, massive drum brakes, dual seats. And every one of 5 models is available in a choice of 4 color combinations. When it comes to mini-cycles, no one has more experience than BRONCCO, no one offers a wider choice of models.

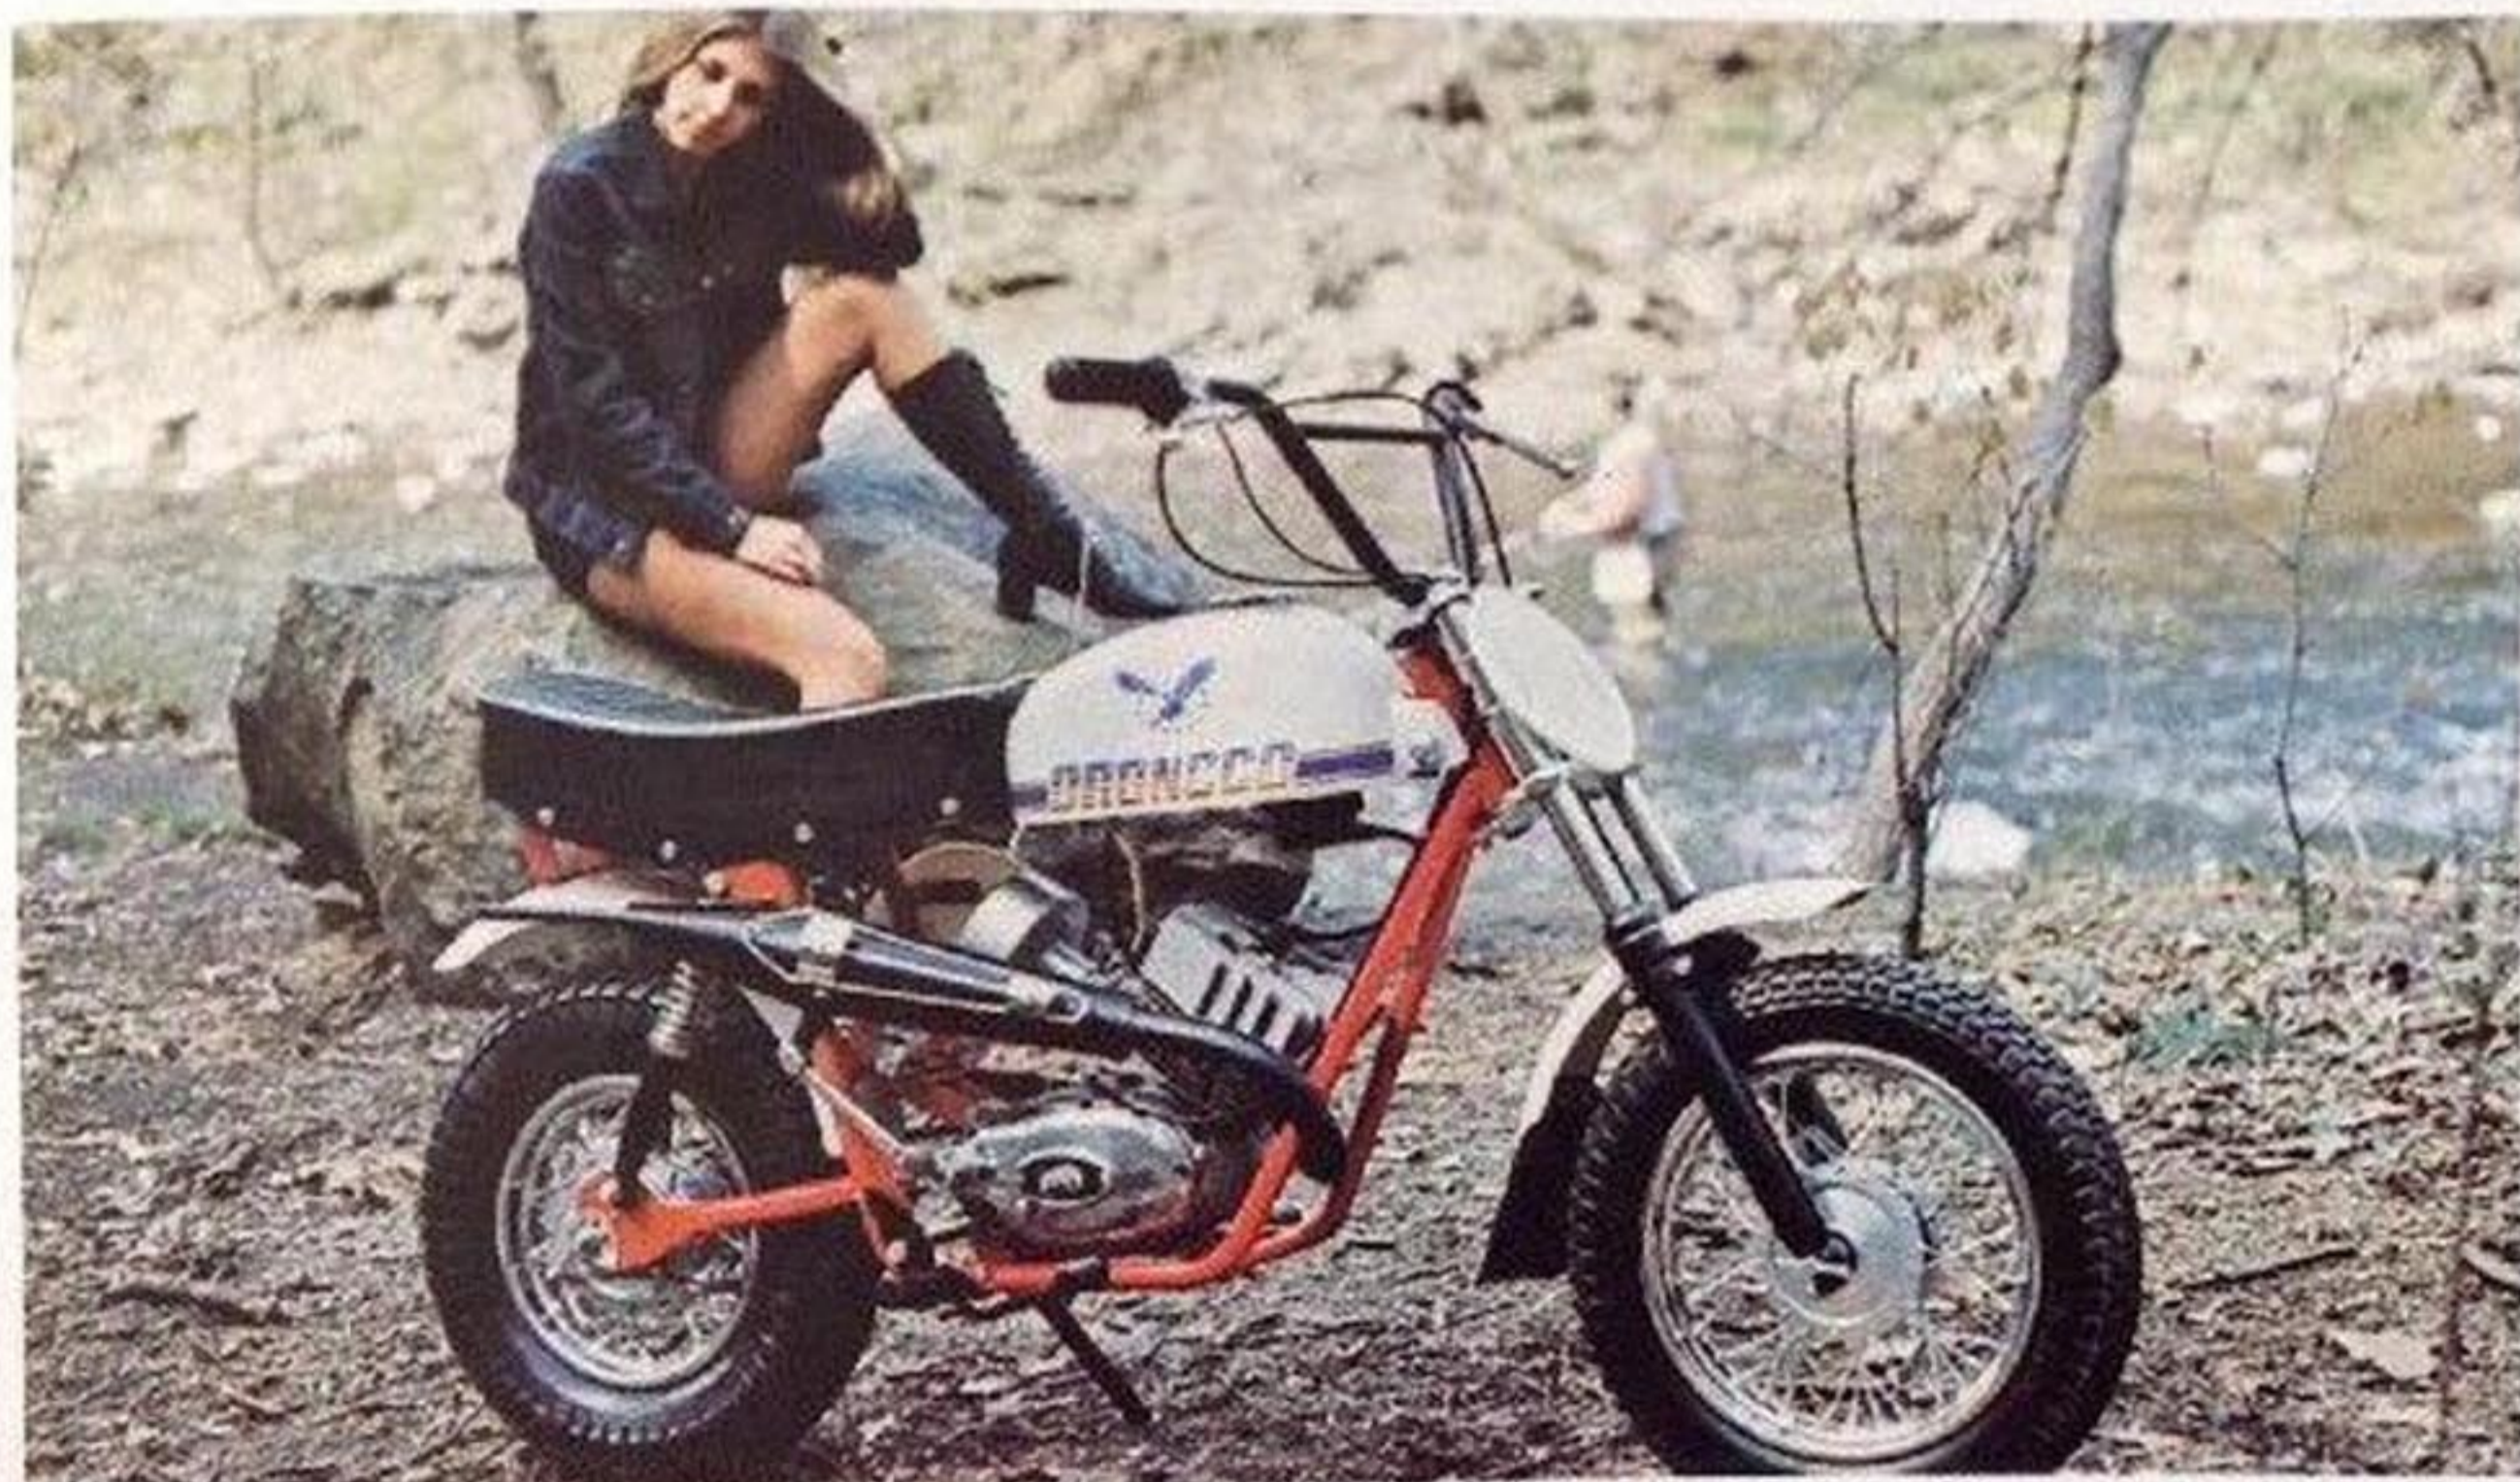

RENEGADE: Torque converter-equipped.

WARRIOR: Hi-revving 50 cc trails.

EAGLE: Red-hot, 8.5 HP Competition.

DIABLO: 75 cc street/trails.

RANGER: 75 cc automatic.

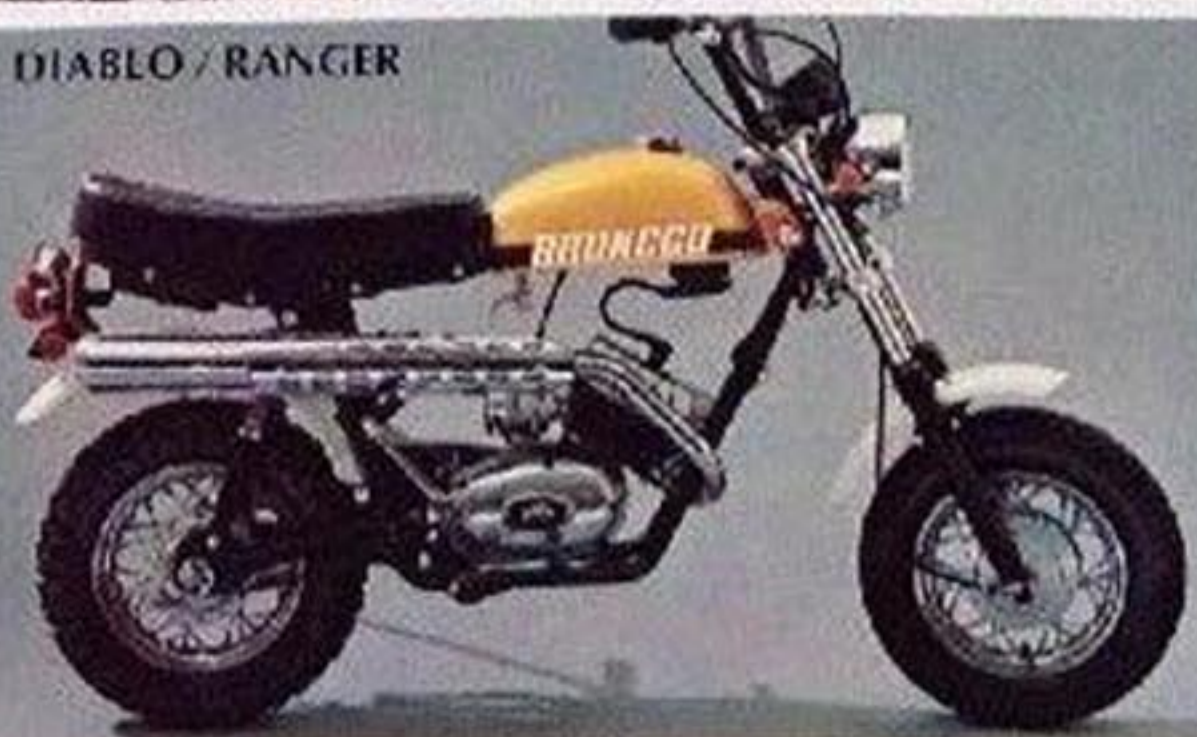

RENEGADE

WARRIOR

DIABLO / RANGER

EAGLE

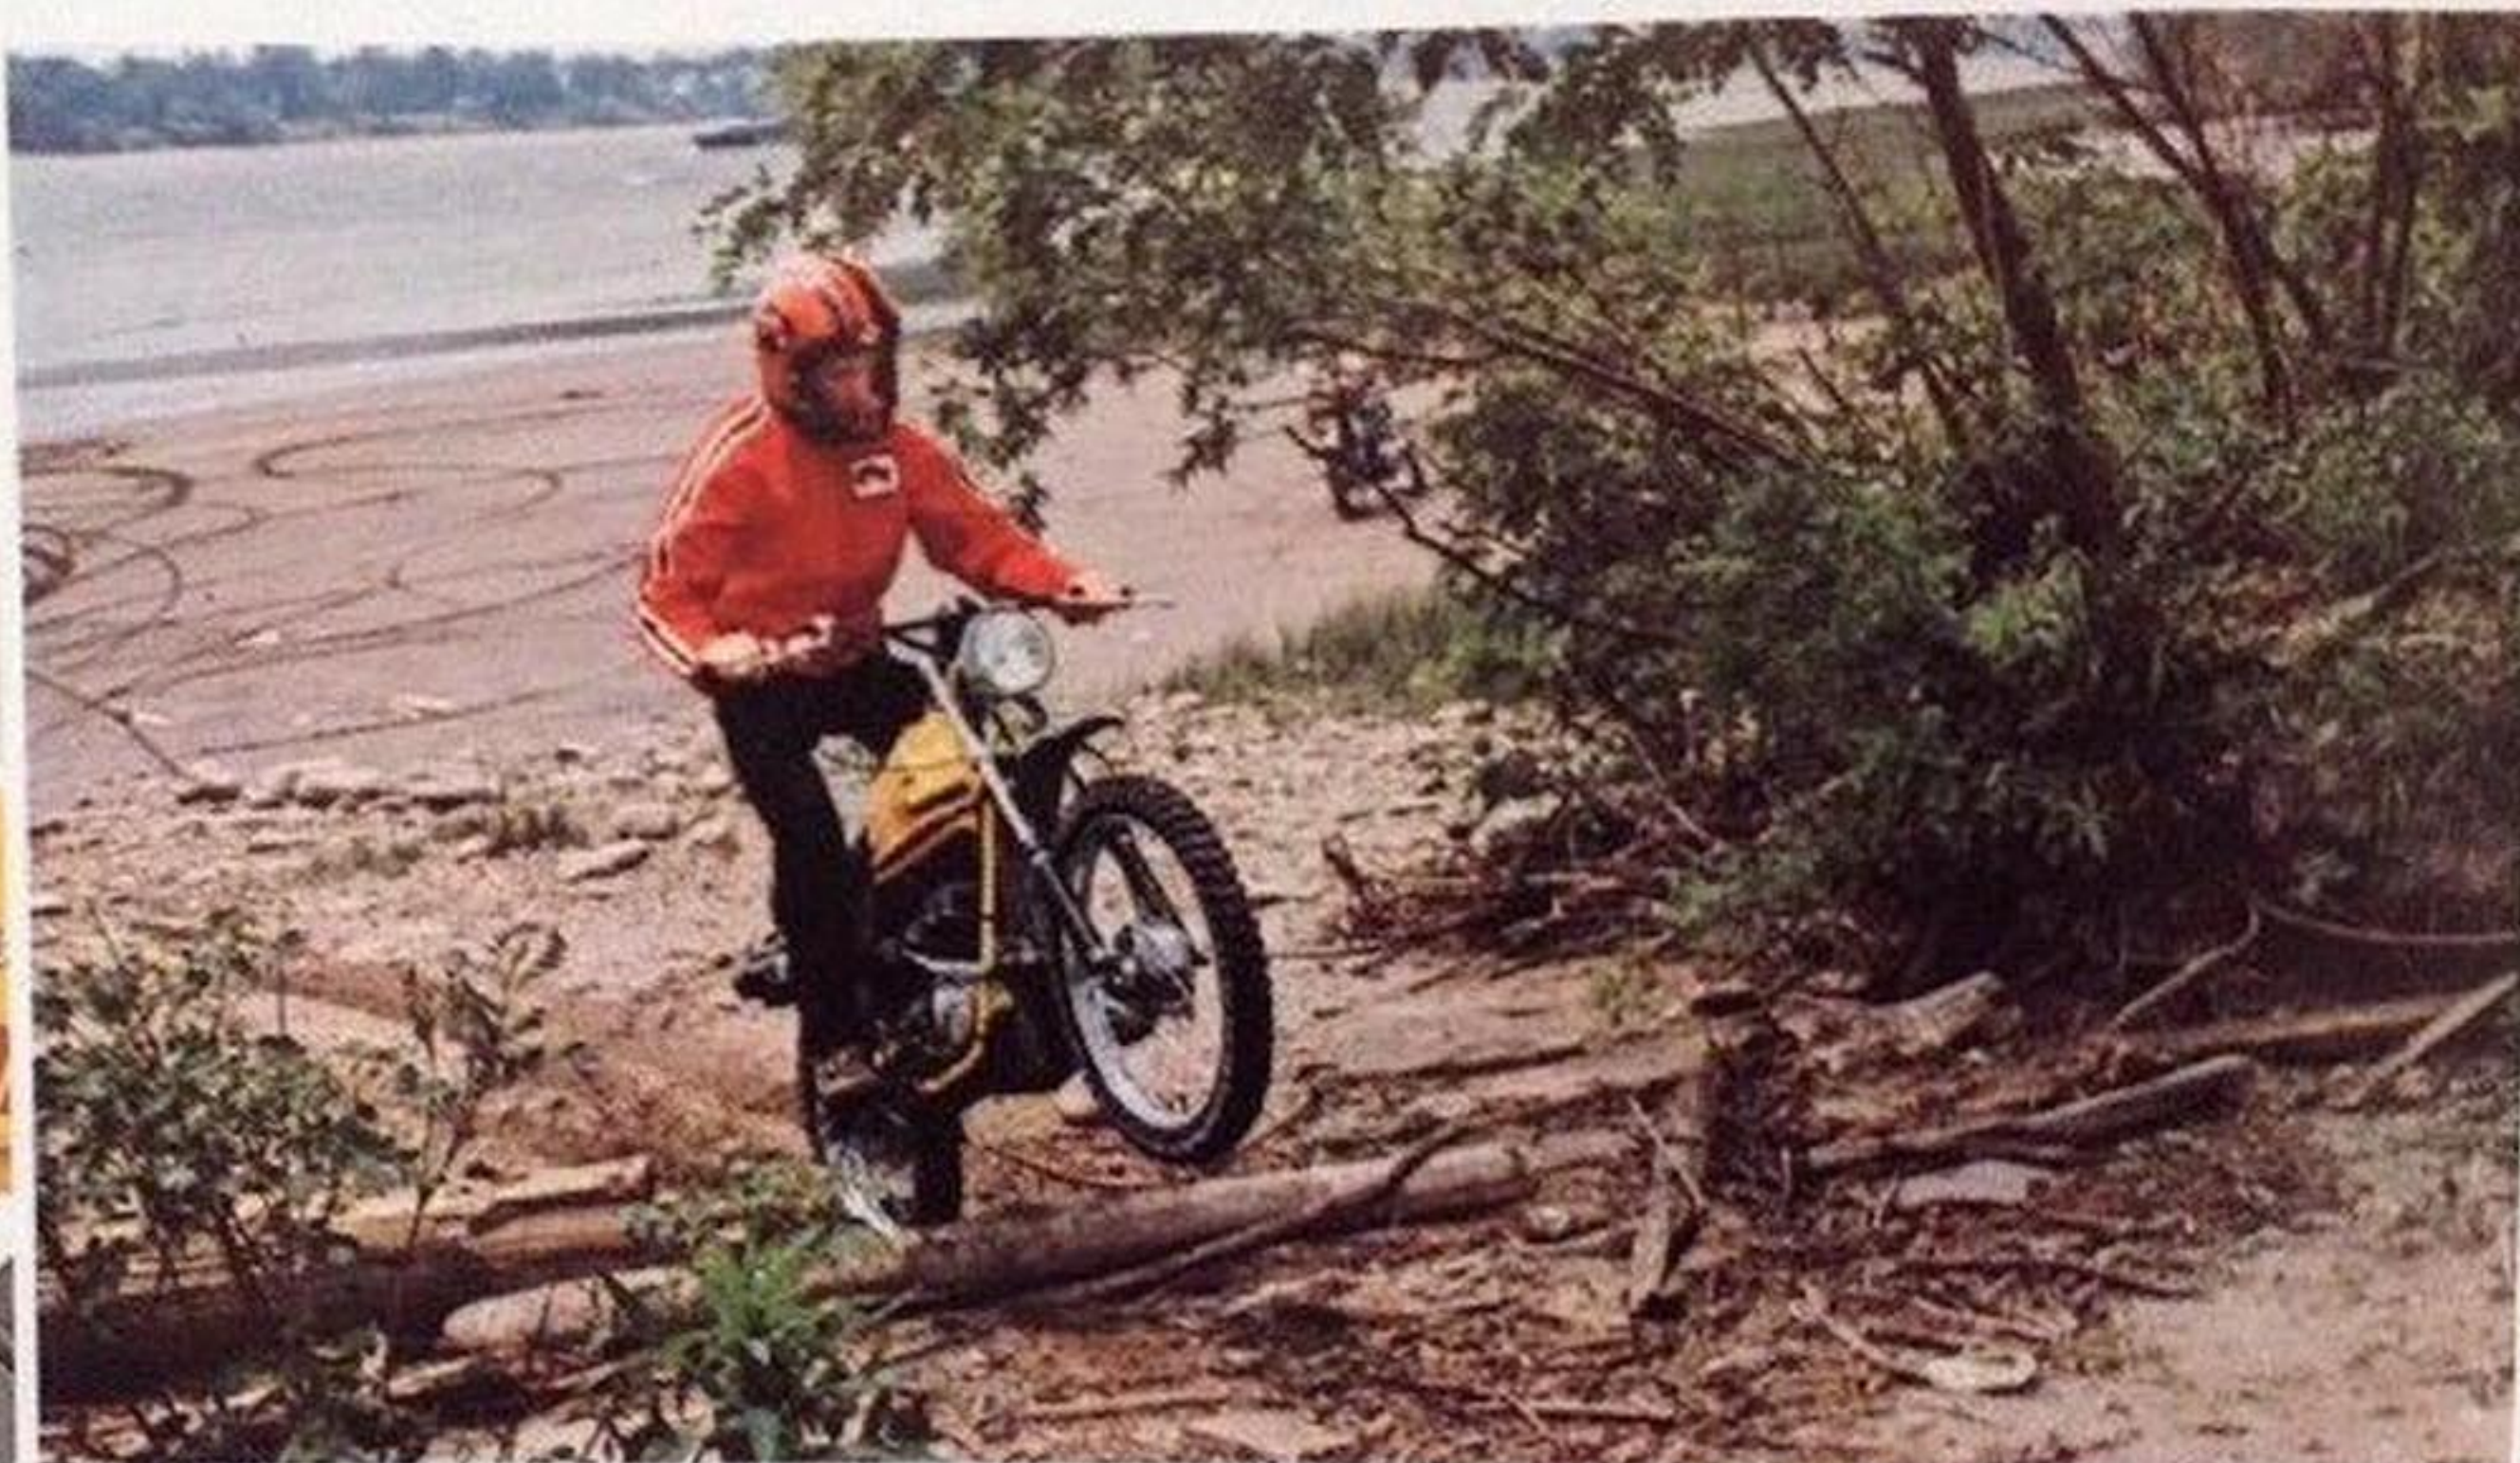

and a sure-footed, lightweight
BRONCCO Trail Bike.

Light and sassy, the Apache 100 has plenty of muscle to handle the rough stuff. Its strong 100 cc 2-cycle "square" (50 mm x 50 mm) engine puts out 12 full horses, "gets on the pipe" at only 2500 RPM. All that torque makes a 5th gear unnecessary, saves weight (only 165 pounds dry). Motocross hydraulic front forks, handlebars and

tank, true heavy-duty suspension, 50" wheelbase and big 5 1/2" drum brakes, Pirelli knobbies, spring-loaded pegs and 11" ground clearance gives you a superb handling, highly maneuverable trail bike that goes great —and where you point it. Can be licensed; street legal lights and horn are standard. Right from the dealer's, the BRONCCO Apache 100 is a strong performer; and for competition use, the optional Performance Kit (part #13122) adds 2000 RPM and 5 HP.

APACHE: for when the going gets rough.

plus BRONCCO Fun Karts and Dune Karts.

Two models: one with lively BRONCCO 3½ HP, 4-cycle engine, one without—for engine of your choice. Heavy-duty centrifugal clutch, precision Dell'Orto carburetor, Pirelli tires with traction pattern on rear, huge rear disc brake, cast aluminum pedals, cable controls. Massive tie rods and ends, ball bearing wheels, double-braced front axle. And, of course, Formula 1 type steering wheel and plush padded seat. Four color choices:

Candy Green, Lime Sherbet, Orange or Yellow. When it comes to Fun Karts, no one builds in more quality than BRONCCO. And who but BRONCCO would design a special mini-dune buggy body to transform a fun kart into a Dune Kart? Optional Dune Kart body comes complete with mounting hardware, windshield, headlights and tail lights. And in a choice of 5 wild metallic colors: Blue, Gold, Green, Purple and Red.

BRONCCO Dune Kart.
BRONCCO Fun Kart.

Fun Kart

a full line of BRONCCO Mini-Bikes.

6 models, plus the unique FANTICHINO (fan-tee-KEE-no). 3 HP-4 HP 4-cycle engines. 4 HP-5 HP 2-cycle engines, too. Centrifugal clutch, 4-speed manual transmissions — even a clutch in oil matched to a 4-HP, 2-cycle powerplant. Strictly off-road models and street models. From simple to sophisticated, every BRONCCO Mini-Bike has a double loop frame, ball bearing wheels, heavy-duty clutch, full-size motorcycle roller chain and

fold-up foot pegs (except COLT). Most models come in choice of colors, too. When it comes to mini-bikes, BRONCCO has a model for kids of all ages.

FANTICHINO: for 4-8 year olds. 1 HP, 60 cc 2-cycle engine. 8" chromed wire spoke wheels with Pirelli tires. Precision Dell'Orto carburetor. Drive gear completely enclosed in tough CYCOLAC, tucked-under exhaust. Speed adjusts 4-10 MPH. Only 19" high at seat, weighs just 58 pounds. Even optional training wheels.

COLT: 3 HP, bantam boonie basher.

TOMAHAWK: full-size economy model.

MARAUDER: light and lively 4 HP bike.

TRAILBLAZER: street/trail heavyweight.

DEPUTY: automatic and quiet 2-cycle.

WRANGLER: 5 HP, 2-cycle hike bike.

* THESE ARE THE NEW, 1972½ MODELS.

IMPORTANT -- DEALERS: YOUR INITIAL ORDER THIS YEAR DETERMINES YOUR BUYING CATEGORY ("A", "B", or "C") FOR ALL OF 1972. IF YOU BUY 12 UNITS OR MORE ON YOUR FIRST ORDER, YOU'LL THEN ENJOY THE "C" CATEGORY PRICES FOR THE BALANCE OF '72 -- REGARDLESS OF THE NUMBER OF UNITS YOU ORDER THEREAFTER. THIS APPLIES TO "A" AND "B" AS WELL. AT ANY TIME, YOU CAN MOVE UP FROM "A" TO "B" OR "C" BY MAKING THE STATED QUANTITY PURCHASE.

TERMS OF SALE:

ALL PRICES, Croydon, Pa. (Philadelphia).

Non-qualified accounts sight draft or C.O.D. only. New dealer's first order (ONLY) 3% C.O.D. or sight draft. Qualified dealers 2%—10, Net 30. Note: The possession of this price schedule by anyone is not necessarily to be construed as an offer to sell him or anyone else the equipment listed herein at the prices stated.

**FREIGHT
ALLOWANCE:**

Full freight allowance is made when your order includes 6 or more shippable units. Dealer pays freight in full and submits copy of invoice to BRONCCO DIVISION Engine Specialties, Inc. with remittance.

New York City area orders shipped prepaid and dealer invoiced by BRONCCO DIVISION. Credit issued upon receipt of trucker's invoice to BRONCCO DIVISION.

CO-OP ADVERTISING

On submission of advertising invoices together with full-page tear sheets or proof of broadcast BRONCCO will credit your account for up to 50% of your advertising expenses based on a credit of \$7.50 for each unit you purchase. This allowance applies to newspaper, telephone directory, television, radio and billboard ads. (Co-op applies only to units sold at regular dealer net prices.) In instances where you advertise BRONCCO products and other products in the same ad, BRONCCO will only co-op for the portion of the ad devoted to BRONCCO. All claims for co-op credit must be made within thirty days after publications or broadcast.
