

An illustration of two people riding mini-bikes on a colorful, abstract track. The rider in the front is wearing a red jacket and a red helmet, while the rider in the back is wearing a green jacket and a white helmet. The track is painted with vibrant green and orange brushstrokes, creating a sense of motion and fun. The background shows a bright, sunny outdoor setting.

COOL CAT

THE GROOVY NEW

SLINGSHOT

Styled for Tomorrow's generation. Built for years of pleasure. The Slingshot combines the Cats' trail-tested frame, dependable power-plant and transmission with new styling horizons. Radical-rake, chromed front forks; gold metallflake naugahyde covered seat; fancy racing fenders; and new-design rear disc brake. Finish is flamboyant Avacado Green high gloss enamel. Motorcycle type controls.
