

**Two
for off
the road**

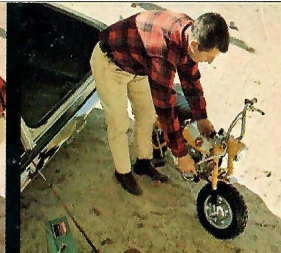

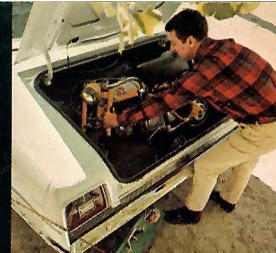

**The Honda
Mini Trails**TM

Safety lock gas cap and turn-lock knobs for the fold-down handle bars.

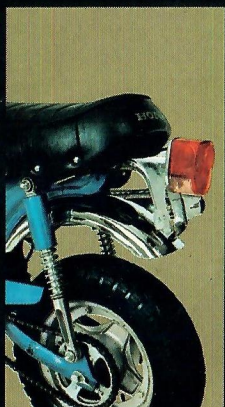

So easy to ride... it's perfect for anyone in the family.

Pack it in the trunk. Set it up in seconds. Have fun.

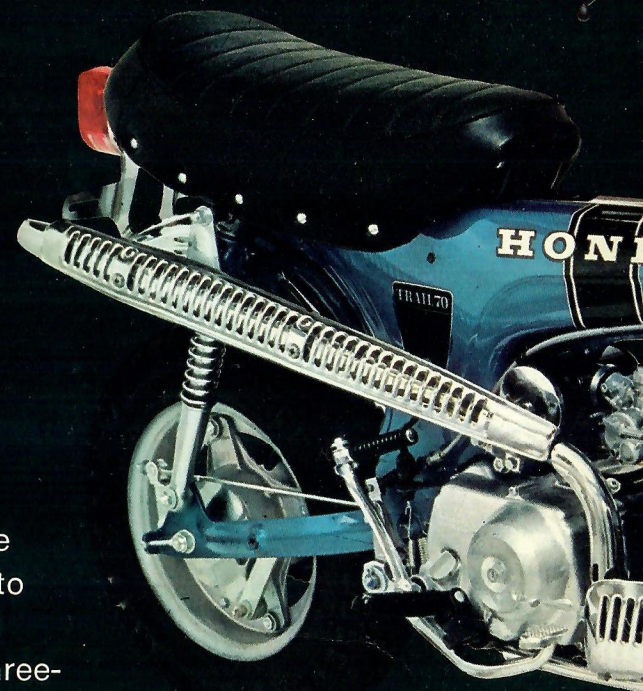

The 70 features a sweptback, covered tailpipe and a dependable four-stroke 5 hp engine.

The 70 has rear shocks to smooth the bumps and an extra-large taillight.

Mini Trail 70 The newest member of the Honda family. Big brother to the already popular Mini Trail 50. Designed for off-the-road riding with its fold-up handlebars, fold-down foot rests, and three-speed transmission with automatic clutch. The Mini Trail 70's got bigger tires and bigger brakes. And most important of all, a beefed-up four-stroke overhead camshaft engine for more power. Other standard features include an extra-quiet muffler; a USDA-approved spark arrestor; and a full, soft seat. Take a 70 along on your next camping trip and then head for some of the back country that was too far away until now.

CT-70

Z-50A K1

Mini Trail* 50 Powered by the dependable Honda four-stroke overhead camshaft engine, the Honda Mini Trail 50 is designed for off-the-road use only and features fold-down handlebars, fold-up foot rests, and an automatic clutch with a three-speed transmission. It's equipped with an extra-quiet muffler, a USDA-approved spark arrestor, and a full, soft seat which

can be adjusted to suit any family member. The Honda Mini Trail 50's gas vent can be closed for safety in transport. Bring this little 50 home soon. It's one bike the whole family will enjoy...specially the kids.

Test ride the Mini Trail 70 & 50. Find out how much fun it is to do your hiking on wheels.
