

We're a new breed of Indian. A proud company founded on solid, unshakable ideals. We give our customers the best. Not the cheapest. We do not compromise anywhere. Not in styling. Not in construction. Not in components. What we do offer is performance, quality and reliability that is unmatched. When you've seen our line of machines, from Motosport to Mini Mini, you'll understand why Indian is the fastest growing motorcycle company today. We are building for the future... our goal is to satisfy you, whether you be a professional racer or a weekend rider.

Indian...two-wheeled excellence

Only Indian makes it, the world's smallest complete motorcycle, built especially for your youngster. An incomparable gift: it weighs only 57 pounds and is 18" high. Simple to operate and amazingly safe, detuned to go 10 m.p.h. but easily tuned to go faster as your boy grows. The Mini Mini starts easily, no shifting, front and rear shoe-brakes, swing arm, telescopic forks, kill button, chrome-spoke wheels, Pirelli tires, competition number plate, and optional training wheels. The Mini Mini has to be seen to be believed.

MINI MINI

2-stroke 48 c.c. engine, 38 M.M. Bore, 42 M.M. Stroke with 6.5 to 1 compression ratio, 1.5 H.P., Dell'Orto SHA14-9 Carb, 1/2 gal. fuel tank. Oil bath centrifugal clutch and helical gear primary drive. Mag. 6V.-18W. Ignition. Pirelli 2.50 x 8 tires. Front telescopic fork and swing arm rear suspension, 57 lbs., 30" wheelbase with ground clear of 4.5". Foot peg 6" high and seat 18" high. Governed for 10 M.P.H. Available in various colors.

Indian MOTORCYCLES INC. 1535 W. ROSECRANS AVE. GARDENA, CALIF. 90249

Indian...two-wheeled excellence

The Super Scrambler — the bike for today's youth. Unmatched performance and handling give this competition trail bike the features most demanded — high performance engine, 4-speed transmission, swing arm, full travel telescopic forks, 16 inch wheels, knobby tires, double cradle frame, motocross handle bars, and competition styling. Designed and built to win. No options necessary. More horsepower than any bike in its class. This 105 lb. Super Scrambler adds up to victory in anyone's league.

SUPER SCRAMBLER

2-stroke 50 c.c. 36.8 M.M. Bore, 42 M.M. Stroke with 9 to 1 compression ratio. Dell'Orto UB 20-S carb. One gal. fuel tank. Multidisc in oil clutch and helical gear primary drive. Mag. 6V.-23W. ignition. Pirelli knobby tires 2.50 x 16. Front telescopic fork and swing arm rear suspension, 105 lbs. 42" wheelbase with 9" ground clearance. Foot peg 10" high and seat height 25.5". Speed 60 M.P.H. Colors: Red and White, Blue and White or Yellow and Black.

Indian MOTORCYCLES INC. 1535 W. ROSECRANS AVE., GARDENA, CALIF. 90249

The Bobcat is geared to the professional sportsman. It is the finest mini cycle made anywhere in the world. Designed for use on both the street and trail. Unparalleled high speed stability and handling over the roughest terrain. We built the super minicycle. It has a 100cc motorcycle engine, 4-speed transmission, full suspension including swing arm and full travel telescopic forks, front and rear shoe brakes, and spoke wheels with knobby tires. Ride one and see the difference.

Indian... **two-wheeled excellence**

BOBCAT 100

2-stroke 100 c.c. 50 M.M. Bore and Stroke with 9.5 to 1 compression ratio. 12.5 H.P., Dell'Orto UB22-S2 carb. One gal. fuel tank. Multi-disc in oil clutch and helical gear primary drive. Mag. 6V. 23W. ignition. Pirelli knobby tires 3.00 x 10 front and 4.00 x 10 rear. Marzocchi telescopic front forks and swing arm rear suspension. 125 lbs., 38" wheel base with 7" ground clearance and 8" footpeg clearance. 26" high seat. Top speed dependent on gearing. Various colors available, all with chrome.
